KARLSRUHE HBF

The background image shows the interior of the Karlsruhe Hauptbahnhof (HBF) train station. A large, illuminated sign with the text 'KARLSRUHE HBF' is the central focus. Below the sign, a train is visible on the tracks, and several people are walking on the platform. The station's architecture features a complex steel truss structure and modern lighting fixtures.

Association AREA

The Representative Association of Architecture Students (AREA) manages the K-fet where you can come to work, take a break or eat. The association offers a cooperative of supplies at negotiated prices and provides a back-to-school kit with everything you need to get your year off to a good start.

It organizes regular evenings at school and also an inter-promo trip every year.

The annual membership fee is 10 euros (amount 2017/18) and any motivated student can join the AREA team.
